

# STATEMENT OF SUPPORT

---

\_\_\_\_\_ is committed to becoming a WeTHRIVE!<sup>SM</sup> early care and education provider as part of Hamilton County Public Health's (HCPH) WeTHRIVE! Initiative. We support the overall goals and objectives of the WeTHRIVE! initiative outlined by HCPH to ensure every child is healthy, safe, engaged, supported, and challenged. We understand the important role child care providers play in shaping the lives of the children and families we serve.

## Specifically, we commit to the following:

- Provide a monthly menu every other year and meet with WeTHRIVE! staff to review recommendations
- Meet at least two times a year with the designated population health specialist
- Complete assessment and action plan every other year
- Adopt one new healthy policy every two years
- Implement action plan strategies around nutrition, physical activity, farm to table, breastfeeding/infant feeding, oral health, or screen time
- Offer family engagement activities surrounding health and wellbeing

## Additionally, we can offer the following: (check all that apply)

- Connections to other key organizations or individuals who can support the initiative in the community (e.g. parents, volunteers, social service organizations, etc.).
- Share information about the WeTHRIVE! initiative to help promote within community
- Other, please specify: \_\_\_\_\_
